Miami, FL – January 23, 2021 – Zio Ziegler, an American artist best known for his paintings and murals, many of which appear in the Mission District of San Francisco, as well as around the world in Tokyo, Los Angeles, London, and Italy, was invited to Miami by his friend and Owner of Casa Tua, Miky Grendene, to produce a mural for the new Casa Tua Headquarters. The monolithic work was completed over two days and will be on display at the company's new location in Wynwood.
