

House in Motion / New Perspectives

Ongoing in 2024 | De la Cruz Collection, Miami, US

“This year’s exhibition House in Motion / New Perspectives represents the collection's history, bringing together paintings, sculptures, and site-specific installations from our private collection. As always, works are installed to offer new perspectives and interpretations, emphasizing the fluid nature of contemporary art.”

- Rosa and Carlos de la Cruz, 2023-2024
